

Shopping Bags

The perfect advertising item that literally carries your message. With our longtime of experience, we can help you to produce personalized and customized shopping bags.

Cotton-bags

- practical and ideal for on the way
- a must have among promotional items
- different grammages available
- standard sizes and colors available from stock

Cotton-matchbags

- universally usable
- simple and quick handling due to the double drawstring
- merchandise for sport and leisure

Juco-bags

- out of 70 % jute and 30 % cotton
- sustained aspect and optimal wearing comfort
- robust with a natural look
- bright printing colors

Shopping Bags

PP-(non-)woven bags

- low weight, high stability, long durability
- matt or glossy lamination
- many design options with high recognition

RPET-bags

- out of recycled PET-bottles
- brilliant print due to matt or glossy lamination
- tearproof, strong and environment friendly

Paper-bags

- out of renewable and biodegradable raw materials
- eye catcher due to the wide range of design options
- produced in Europe

You have the opportunity to decide between a production in Far East or to choose unprinted bags from our stock.

We will find the shopping bag you imagine - and all that in a top quality.
